DETAILED ACTION

1. This application claims benefit of the foreign application:
UNITED KINGTON 0004297.8, with a filing date 02/23/2000.
2. Amendment of claims 1, 3, and 5, and a terminal disclaimer in the amendment filed on October 20, 2004, is acknowledged. Claims 1-5 are pending in the application.

Responses to Amendment

3. Since the limitation "and other neurological disorders", "trigeminal and other neuralgia", "other movement disorders", and "and other degenerative diseases", has been eliminated, therefore, rejection of claims 3-4 under 35 U.S.C. 112, first paragraph, has been overcome in the amendment filed on October 20, 2004.
4. Since the limitation "including" of claim 3 has been eliminated, therefore, rejection of claims 3-4 under 35 U.S.C. 112, second paragraph, has been overcome in the amendment filed on October 20, 2004.
5. Since the terminal disclaimer over Differding et al. US 6,784,197 has been filed and approved, therefore, rejection of claims 1-5 under obviousness-type double patenting, has been overcome in the amendment filed on October 20, 2004.

Reasons for Allowance

6. The following is an examiner's statement of reasons for allowance:

Claims 1-5 are neither anticipated nor rendered obvious over the art of record, and therefore are allowable. This invention relates to 2-oxo-1-pyrrolidine derivatives,

processes for preparing them and their uses. The closest reference is Differding et al. US 6,784,197, discloses 2-oxo-1-pyrrolidine derivatives, processes for preparing them and their uses. The difference between above reference and instant claims is that the instant claimed compounds are diastereoisomers of Differding et al. Suggestion for modification of above reference to obtain the instant compounds and methods of use has not been found. Claims 1-5 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
